

New lightweight, compact mobility solution designed for daily living.

Convenient, integrated seat.

UPWalker is proudly produced by LifeWalker, a leading innovator in upright mobility.

LifeWalker
Mobility Products

Rediscover walking ease, comfort and freedom.

- The UPWalker Lite is a smaller, lighter, lower-priced version of the original UPWalker, especially well-suited for indoor use.
- Designed to maneuver in tighter spaces and for users who might be challenged by a heavier walker.
- Weighing just 15.5 pounds, the UPWalker Lite is easy to lift and transport.
- Increases mobility and independence for the elderly and mobility challenged.
- Enables users to stand upright and look ahead with better support, greater dignity and confidence to remain more active.
- Clinical study of LifeWalker technology showed improved posture, safer, more stable feeling, and reduced pain in legs, back, hands and wrists.
- Includes a beverage holder, backrest and personal item bag.

UPWalker® Lite

* Limited Lifetime Warranty covers frame against defects in materials and workmanship.
